Meticulous software engineer with a passion for software development and personal growth. Looking to utilize and continue to develop my skills set alongside a talented team, while expanding my knowledge and capabilities. Able to collaborate effectively with other developers in order to reach the desired outcome for a project. Received a certificate for the 2021 Web Development Bootcamp, which provided me with the opportunity to understand and implement various technologies like HTML, CSS and javascript.

PROFESSIONAL EXPERIENCE

Software Engineer, Chapter 2 [🔗](#)

2020 – Present

- Gathered project requirements
- Participated in project scope planning
- Helped estimate project timelines
- Assisted in finding and addressing potential vulnerabilities
